Unforgettable Views, Sophisticated and thoughtful Upgrades throughout and a separate Guest House on nearly 2.5 acres is exactly the home you've been waiting for.

This contemporary raised ranch features stunning finishes and carefully picked out upgrades. The Kitchen is truly the heart of the home and does not disappoint. Top of the line Appliances, Granite and Cabinets are to be expected however the livability with dual sinks, massive walk-on pantry with custom shelving are the extras that are impossible to find.

Looking out from the Living Room with Vaulted Ceiling it'll be hard to leave the incredible picturesque panoramic views of the hogbacks in the valley. The remodeled hearth and fireplace creates the hallmark atmosphere when snow lightly falls outside. Just outside is the perfect small yard and patio with new turf grass and fencing for your favorite furry best friend.
